Mayor Reports on Milner Interview

The regular meeting of the Council of the Town of Didsbury was held Monday evening, February 7, and a grant of \$75 was made to the Didsbury Board of Trade towards expenses of the recent brief to the Gas Commission.

One building lot east of Nick Nowak's residence was sold to J. Penner.

Discussion took place on the waterworks question and it is expected that the final vote will be taken about the end of March.

Mayor H. Lynch-Staunton reported on the interview with H. R. Milner, president of the Canadian Western Natural Gas Company, at which he was accompanied by the mayors of Olds and Innisfail, and the gas company president would not state definitely when it would be possible to service the communities between Red Deer and Calgary with natural gas.

Councillors C.E. Reiber and S.J. Gilson were appointed to represent the Town of Didsbury on the permanent gas committee of the eight towns and villages between Red Deer and Calgary.

YOUNG PEOPLE'S UNION MEET
The United Church Y.P.S. has had some very good programs recently. On the evening of January 31st the weekly meeting was held at the home of Jean Fleury under the direction of the Culture Committee.

When Mr. John Reinhardt played a number of very select gramophone records.

On February 6th the meeting was held in the schoolroom directed by the Missions Committee, when Mrs. H.M. Bowman led the discussion and gave a very helpful address on the value and purposes of overseas missions.

The meeting on the 13th will be in the hands of the Fellowship committee. These meetings are for all young people. They commence following the evening service.

Theodore Reinhardt Dies Sat., Feb. 5

Theodore Reinhardt, 12-year-old son of Mr. and Mrs. Daniel Reinhardt of Didsbury, died in a Calgary hospital on Saturday, February 5, following a short illness.

Besides his parents, four brothers and five sisters survive: Erhard, Oscar, Werner, Arthur, Erna, Lily, Elizabeth and Dorothy, all at home, and Irma at Bow Island; also his grandmothers, Mrs. K. Reinhardt in Germany, and Mrs. M. Schoenberger, Didsbury.

Funeral services were held from Redeemer Lutheran Church, Didsbury, on Tuesday, February 8, at 2 p.m., with Rev. E.B. Fox officiating. Pallbearers were Robert Folkman, Donald Baner, Delbert Berth, Kenneth Berth, Niel Folkman and Walter Scheidt. Burial was made in the Didsbury cemetery with Didsbury Funeral Home in charge of arrangements.

United Church Holds Annual Congregational Meeting Feb. 1

The annual congregational meeting was held in the Knox United Church on Tuesday, February 1, and was well attended, with Rev. J.W. Bainbridge presiding and J.W. Hoover as secretary.

Very interesting reports were given on the through the week groups, as follows: Mission Band by Bonnie Clarke; Explorers by Margaret Reiffenstein; C.G.I.T. by Margaret Robertson; Tuxis Society by Will Edwards; and Young Peoples' Union by Louise Bateman.

Carleton Leeson reviewed the progress of the newly-formed A.O.T.S. Men's Club. Mrs. F. Evans, as leader of the choir, introduced a discussion on this phase of the work. Mimeographed copies of the financial status of various organizations were presented, and Mrs. B. Parker spoke of the W.A. Afternoon Group, Mrs. A.E. Prevost of the W. A. Evening Group, and Mrs. R. Eckel of the Women's Missionary Society.

Tom Morris, as chairman of the Board of Stewards, reviewed the repairs and improvements carried out on the property, and the present

QUILTING BEE HELD AT HOME OF MRS A. E. FORD

Mrs. Ed Ford, president of Knox United Church W.M.S., held a quilting bee at her home last Wednesday afternoon and evening and on Thursday afternoon, when the W.M.S. members and friends turned out in goodly numbers to complete three quilts. These are being sent to the United Church hospital at Bonnyville, Alberta.

Petition Will Save Time on Vote For Town Waterworks

The much discussed topic of the date for the vote on the additional money by-law to finance the waterworks and sewage project can be brought one stage nearer with your cooperation.

The forthcoming vote will be taken under two headings:

(a) General Benefit.
(b) Local Improvement.

The revised estimate for the whole water and sewage scheme is quoted at \$165,000. Of this total \$10,000 has been apportioned to General Benefit and \$55,000 to Local Improvement.

Before a vote can be taken on the sum apportioned under Local Improvement, a rather lengthy procedure of publishing details in the local paper for two consecutive weeks and then a further waiting period of two weeks has to be observed. This, however, can all be short circuited by an alternative procedure. If a petition is signed by two-thirds of the property owners and representing half the total value of the property in the Improvement area, agreeing to meet the cost under Local Improvement, this publication and waiting period can be dispensed with. If this is done the vote can be held under the two headings in the near future.

This \$55,000 is further broken down as \$28,000 for water mains and \$27,000 for sewer mains. These will be paid for by property owners in the improvement area only through frontage tax assessed at 14 cents per foot for water mains and 13 cents per foot for sewer mains.

The waterworks sub-committee of the Board of Trade has undertaken to present this petition to all property owners in the Improvement area for their signature.

A canvasser will be calling at your door as soon as possible with this petition and requesting your signature. If you have the interest of your family and the town at heart, your signature should be readily given.

A meeting is to be held in the Health Unit office at 8:00 p.m. on Thursday, February 9th to allow sections of the Improvement area to canvassers. Any person who can see their way to devoting time to join this canvassing committee will be warmly welcomed.

Leslie C. Allan, M.B., Ch.B., D.P.H., Medical Officer of Health

Born to Mr. and Mrs. H. Lumb on Friday, February 4, a girl.

Didsbury Seniors Trim Carstairs, 5-4

Playing at Carstairs Monday night, February 7, the Didsbury senior hockey team emerged on the long end of a 5-1 score to tighten their hold on third place in the league standing. Didsbury scored three goals in the first period, with the first marker going to Holub on a pass from Auger, the second to Irwin on a pass from LeGrand, and the third to Auger on a pass from Holub. The two remaining Didsbury goals were made by Auger and C. Papke on unassisted plays in the second period. The four goals scored by Carstairs were not enough to give them the victory.

Didsbury lineup—H. Olczyk, W. Wood, W. Woldner, G. Roberts, B. Reinhardt, C. Newton, V. LeGrand, E. Irwin, L. Auger, J. Holub, T. Morgan, C. Papke, L. Papke, L. Krebs. Carstairs lineup—Francis, Sheriff, Baker, Edmondson, Bardgett, Sylvie, Brookman, Liesemer, K. Ing, J. Ing, James, Brown, Pollock, Smith.

Legion Rink Wins First Round Game

The Didsbury Legion rink entered in the Legion provincial curling playdowns journeyed to Calgary on Sunday to compete against the Turner Valley aggregation at the Glenora Club, Calgary. In a sixteen end game that saw only twenty points scored the Didsbury rink defeated Turner Valley 11-9. The game was close all the way and the local boys played a very steady brand of curling to emerge victorious. Personnel of the rink was Harvey Gilchrist, skip, Len Berscht, third, Joe Freeman, second, and Fred Evans, lead. The local rink now enters the next round of the competition but as yet do not know who they will play.

A.P.U. RUGBY LOCAL MEETING

A meeting of the A.P.U. Rugby Local 625 was held at the home of Leslie Evans on January 27. The evening was taken up by a very interesting report of the convention given by the delegate, Mrs. J. Hoogwood.

It was decided to hold the next meeting at the Rugby school on February 16.

The A.P.U. will disband to make way for the new organization and a new slate of officers will be elected.

All farmers and former U.E.O. and A.P.U. members are cordially invited to attend. Come and support the Farmers' Union of Alberta.

Westcott School Pupils Have Holiday

There was no school the first of the week at Westcott because of the shelling up the teacher, Mrs. Allan Kongschuh, received while she and her husband were returning from Calgary last Sunday evening. The steam of a boiling radiator of a parked car on the highway so obstructed their view that they did not see it until it was too late to avoid the impact. The Kongschuh's new Dodge was considerably damaged in the mishap.

We are glad to hear that Duane Gibson is better and was able to be taken home over the week end. Duane suddenly came down with the flu while staying with the Folkmans and attending school from there.

Mrs. Nevada has arrived home from Calgary where she had been recuperating from a serious illness. Congratulations to Mr. and Mrs. Chas. Topping who were married last week. Mrs. Topping is the former Miss Delores Holmquist.

Mr. and Mrs. Herbert Goetjen spent Thursday evening in Cremona where Mr. Goetjen attended the Board of Trade meeting. They later took in the Dog Pound-Cremona hockey game at which the latter team was victorious.

Congratulations to Mr. and Mrs. E. Spicer on the birth of a son.

Because of the sub zero weather activity at the Westcott rink has been somewhat curtailed. The Roy Scotts are now doing the catering on the skating nights, so the more you eat the more money the boys will have.

The hockey games have been played as scheduled and Sundre defeated Westcott in a closely con-

DON'T BE ALARMED

Don't be alarmed when the fire siren shrieks at noon on Saturday. It's not likely there will be a fire, but just the order of the Town Council, which is having the new siren tried out in different ways to see if it will answer the purpose for which it is intended.

Topley Rink Wins Two 'Spiel' Prizes

The Didsbury Curling Club's annual bonspiel came to a close Friday night after five days of keenly contested games in which many close scores were recorded. The Jack Topley rink of Didsbury and the Liesemer foursome of Carstairs each walked off with a first and a third in two of the events and were the only rinks to win more than one prize. When it is considered that Jack Topley has reached the three score and ten mark, along with his third man, Dave Sinclair, and with Bill Devolin playing second and A. Schneidmiller lead, the old curlers brought honors to Didsbury this year.

In the Berscht's event Lee of Carstairs defeated Berscht of Didsbury in one half of the semi-final bracket and Liesemer of Carstairs defeated Topley of Didsbury in the other half. Liesemer went on to win the event by defeating Lee in the final.

In the Citizens competition Warren of Olds defeated Wishart of Carstairs in one semi-final and Wordie of Didsbury, Didsbury won the competition by defeating Hammer in the final.

Semi-final games in the Merchants' event saw Hammer of Olds defeat Fleury of Didsbury, and Dave Dishan of Olds defeat Eubank of Didsbury. Dishan won the competition by defeating Hammer in the final.

In the Rosebud competition Topley gained revenge on Liesemer by reversing the decision in this event by defeating the first round other half of the semi-final bracket Art Reiber defeated Dimmer, but lost out to Topley in the final.

tested game on Thursday night last, the score being 3-2.

The Westcott aggregation defeated the Didsbury Tanks on Wednesday in Didsbury and the score was 5-4.

Mr. and Mrs. Borer and Mr. and Mrs. Baudiste were Calgary visitors on Monday of this week. On Sunday afternoon last the Westcott Tankers were hosts to the Westerdale team. Neil (skipper) Folkman was outstanding in the net for the local boys and they won by an easy margin of 6-2.

This community was shocked to hear Saturday last of the sudden death of Teddy, the youngest son of Mr. and Mrs. Dan Reinhardt, who at one time resided in this district. Teddy attended school at Westcott and was a favorite with all his class mates. The deepest sympathy of all is extended to the family and relatives.

We are pleased to hear that Mr. Robert Artmann is making steady progress back to health after being quite ill at his home here.

We noticed the Schneidmiller car on its side in the ditch on Sunday. This is a warning to us all that the roads are really icy and great care is needed if we are to avoid a like experience.

Mrs. Cowitz Host To Rugby W.I.

The regular monthly meeting of the Rugby W.I. was held at the home of Mrs. Cowitz with the attendance of 13. All arrangements were completed for the program and sale being held Friday, February 4. List of articles to be entered in the handicraft exhibit at the constituency conference was discussed and various members undertook to be responsible for the articles suggested.

Mrs. Vipond, handicraft conveyor, gave a very interesting demonstration of stenciling, which was enjoyed by all. The 'bit of nonsense' under the direction of Mrs. McNaughton was the cause of much laughter and amusement—there being a few some wonderful love letters written.

Singing of the National Anthem brought the meeting to a close and lunch was served. The March meeting will be held at the home of Mrs. Vipond.

Lions Club Ice Carnival Planned for February 25th

The Didsbury Lions Club will hold its annual ice carnival in the Memorial arena on Friday evening, February 25. The following plans were made at a meeting of the board of directors early this week. Costumes, chuckwagon races, novelty and speed races and a broom-ball game will provide a good program for a full evening's entertainment. There will be free skating for everyone after the carnival.

It is urged that everyone in the town and district make a special effort to attend this carnival in costume. Members of the Lions Club have already been warned of dire penalties which will be imposed on those who fail to attend in suitable dress for the event. No one in costume will be allowed on the ice until all costume events are over.

The rules of the chuckwagon races have been changed slightly from those of other years, and are as follows:

1. Each team entering must provide its own chuckwagon outfit. There will be no exchanges and the chuckwagon itself will be part of the entry.
2. The chuckwagon must be at least five feet long, canopy covered and weigh not less than one hundred pounds with driver.

Crystal Dairy Ltd. Gets More Honors At Dairy Convent'n

Awards in connection with the Alberta Dairyfarmers' Association convention being held in Calgary this week were announced Monday by D. D. McCallum, provincial dairy commissioner, and the local Crystal Dairy features in the prize winners.

In the Workmanship Competition Gordon Sherick of Crystal Dairy at Didsbury was second for the butter makers having the highest standing in workmanship and composition control in churning manufactured between January 1 and November 1, 1948.

For creameries having the highest percentage of first grade butter during 1948 Crystal Dairy of Didsbury won second.

For creameries having the least spread between cream purchased and butter manufactured in 1948, Crystal Dairy of Didsbury came fourth.

For best kept country creameries Crystal Dairy, Didsbury, placed in second position.

Gordon Sherick, buttermaker at

3. The chuckwagon may be steel-shod if desired.
4. Those entering must be 16 years of under.
For further details see the members of the chuckwagon committee listed below.

The committees in charge of the various events are as follows:
General committee in charge—George Law, C.E. Reiber, Tom Morris.

Advertising committee—E.T. Wiggins, R.E. Hoover, W.F. Stauffer.
Chuckwagon committee—W. A. McFarquhar, Len Berscht, Dale Kimmel, Jim McCulloch.
Gate committee—C.F. Nicholl, J. McCloy, Jim Hardy, John Folkman.

Races (other than chuckwagon)—Chub Scott, Tom Morris, George Law, Ed Kinnick.

Costume committee—C.E. Reiber, Sam Krueger, Frank Kaufman, Ken Waugh.

Broomball committee—Joe Freeman, A.W. Reiber, Bill Payne, Paul Brington.

Crowns and Entertainment committee—George Wilkins, Dale Kimmel, Ernie Clarke.

Announcements and P.A. system—A.W. Reiber, Bert Prevost.
Posters will be on display shortly.

WEST NOTES

Despite the extreme cold quite a large crowd attended the concert and auction sale sponsored by the Rugby W.I. and Girls' Club in the Rugby hall Friday evening. The play, "The Elkton Store," was very well received, the girls imitating their fathers gathered at Byrt's Store. The girls are to be congratulated on all the items, and also Jean Cowitz as chairman. Mr. Ginter kindly auctioned the articles and over \$80 was taken in. Mrs. C. Byrt held the lucky ticket on the quilt. Lunch was served.

Mrs. R. Befus is visiting in Calgary.

Mr. Norman Hogg left Saturday last to spend at least six weeks at the west coast.

Crystal Dairy, Didsbury, was awarded a proficiency certificate for creamery buttermaking based on 1948 workmanship competition.

Ken Shultz Awarded Class A Certificate for Cheesemaking

In the cheesemaking section at the dairy convention Ken Shultz of the Neapolis Co-Op Dairy Ass'n, Didsbury, was awarded a Class A Certificate of Merit, having had an average of 95 or over on all cheese manufactured in 1948.

Two New Members Join Westcott Women's Institute

The Westcott W.I. met at the home of Mrs. H. Levagood on Thursday, February 3, with 16 members and three visitors present.

Roll call was answered again this month by a question box.

Mrs. Carl Eckstrand, as handicraft conveyor, asked for volunteers to make the different items on her list for the conference next June.

Each member was given \$1 with which to buy whatever material she likes, wool, crochet cotton, print, etc., to be made up and handed in for the bazaar next fall.

Mr. J. Robertson read a letter of thanks from the Corresponding W.I. in Norham, England, for the Christmas parcel sent them. They also congratulated Westcott W.I. on the occasion of its 21st birthday party. Mrs. H. Vilshusen will answer this letter.

The used clothing which is to be sent to Europe has all been handed in as the January objective.

The objective for February is a lady's layette and each member is to contribute an article at the next meeting.

Magazines for the hospital were on hand, and members volunteered to gather more for the next meeting. There is to be a contest for April there is to be two classes, fancy and practical.

"Annie Laurie" was sung, in keeping with Burns Night a short time ago.

The "Famous Artist" this month

was taken by Mrs. Carl Eckstrand and she chose the picture "Shoeing the Bay Mare," by Sir Edwin Landseer.

A paper on social welfare was given by Mrs. J. Robertson, and the bit of fun was taken by Mrs. Raymond Shantz.

Mrs. J. Robertson, acting as president for Mrs. Levagood for the day, presented Mrs. Otto Folkman with a cup and saucer on behalf of the institute, as a little reward for her services in the kitchen the night of the banquet.

Two new members, Mrs. Lloyd Vogel and Mrs. H. Goetjen, joined the Westcott W.I. this month.

The next meeting will be held on Thursday, March 3rd, at the home of Mrs. Ed Klink. Ladies, don't forget your layette article.

ALBERTA BARLEY WINNERS

Seven Alberta farmers won top awards for producing the highest grade barley in their province in 1948. The pictures are the provincial winners in the third Annual National Barley Contest. The contest is sponsored by the brewing and malting industries of Canada and is conducted through the Barley Improvement Institute, Winnipeg, under the direction of Prof. T. J. Harrison. In 1948 there were two competitions in the contest, one a Farmers' competition requiring a minimum carload entry of 1,667 bushels, the other a competition for Seed Growers only, requiring an entry of 500 bushels.

Top picture, left to right, are the four winners in the seed growers' competition, in the order in which they placed: D. R. Carlyle, Blackfalds, awarded \$275; James W. Bussey, Airdrie, national champion in the 1947 contest, \$175; G. U. Horton, Hemlock, \$125; Nicholas Symonson, Calgary, \$100.

Bottom picture, left to right, are the Alberta provincial winners in the Farmers' competition, 1948 National Barley Contest, recently announced in Calgary, also in the order in which they placed: Fred Radford, Bowden, \$400; Wesley Housh, Bowden, \$300; and John P. Ingram, Bentley, \$200.

Westcott, 11 a.m.: Morning Worship followed by church school for all ages.

Westerdale, 3 p.m.: Public Worship with story for young people. Minister: Rev. J.W. Bainbridge, M.A., B.D.

RELIGIOUS EDUCATION COUNCIL OF ALBERTA FINANCE CAMPAIGN

2031 girls are registered in 295 Canadian Girls in Training Groups in Alberta. There are also 1535 boys in 175 Tuxis, Trail Ranger and Boy Explorer Groups. Besides, 2100 children were enrolled in Daily Vacation Bible Schools last summer. All this work is headed up by three full time secretaries and a headquarters staff in Calgary.

The work done throughout the year is based on the story "Jesus increased in wisdom, stature and in favor with God and man," and is of a four-fold nature — physical, mental, social and spiritual. It is interdenominational and is administered by representatives of various denominations. Meetings are held weekly. Conference rallies and conventions stimulate the work and Summer Camps help greatly.

In Didsbury we have two C.G.I.T. groups and a membership of 40 girls and four leaders. Also three groups of boys ranging from nine to seventeen years of age. We hold Teachers' Training Institutes for our Sunday schools.

The finance campaign extends from February 6th to 20th. Radio broadcasts over the various radio stations will give added information. We shall be asked to purchase shares as "Investment in Youth for Christian Communities Tomorrow," and we hope to go over the top in raising our allotment of this Provincial project.

Car, in good shape; Pontiac Car, in good shape; 4-ft. M.H. Tiller; Firewood in slab and stove lengths. Anything you want, I have it. I hope—Hughie Roberts, phone 13, Didsbury.

PUBLIC NOTICE

Town of Didsbury

Public Notice is hereby given that I will attend at the Town Office on Monday, the 21st day of February, 1949, from eleven o'clock in the forenoon until twelve o'clock noon for the purpose of receiving nominations of candidates for the office of mayor for the next ensuing two years, and for the office of councillors for the next ensuing three years.

Given under my hand at Didsbury this 7th day of February, 1949.
 P.L. EVANS,
 Returning Officer

Diphtheria Is Still Present

During National Health Week the nation was encouraged to give careful thought to matters pertaining to family health. Everyone has time to pause during the hustle of the 20th century life, surely to review such an intensely personal matter.

I want to leave one thought with parents for Health Week, 1949. It is that diphtheria is still present in Alberta lurking around some corner and ever ready to strike down a child. You may ask, "what are the likely victims?" In short, anybody who has no immunity against the disease. By far the most vulnerable person is the child up to the age of 15 years. Thereafter the chances of being attacked by diphtheria diminish rapidly to become extremely rare in the age.

Considerable publicity has been given to this latest reported outbreak in the Nobleford district. This is not served by Health Unit. Consequently the opportunity to obtain protective inoculations against the killer diseases diphtheria and whooping cough for the children is not readily available. These people take a chance that the disease will not attack them, they lost the gamble and what a price has been paid.

If your child has not yet received a full course of all the protective inoculations recommended you are taking part in the worthless game with disease too. You stand a good chance of winning if you win and if you lose, think of the anxiety and remorse that will be yours.

Every child between the age of 6 months and 15 years should be protected against the disease. Only by having all the susceptible members of the community protected will we be able to stamp out this dreaded disease. A series of 3 injections in the arm at four weeks interval and a single repeat dose every five years is a safeguard you owe your child.

I am going to be perfectly frank. To those that have had their children immunized I say "we done," now keep them rigidly up to date and you have little to fear when outbreaks are reported.

To those who have started their children but not completed them, I say "don't stop now." I urge you to return to one of the clinics in the area and have them completed. To the relatively small group who say "I don't believe in inoculations."

FOR SALE—One Milk Cow, due to freshen in two weeks. Apply to Lloyd Vogel, phone 2015, Carstairs. 4-3c

FOR SALE—Legacy Seed Oats, germination test 96%. Certificate No. 79-4953. Price 80 cents per bushel at bin. Also a few bushels of Oil Barley. Apply to W. W. Snyder, phone 2012, Didsbury. 5-3p

FOR SALE—Larain certified Seed Oats, germination test 88 per cent. Certificate No. 78-5800. See sample at Midland & Pacific Grain Elevator—A.L. Chamberlain, phone R1506. 5-2tp

NOTICE OF MUNICIPAL MEETING And Nomination of Candidates AT GENERAL ELECTION

Notice is hereby given that a meeting of the electors of the Municipal District of Mountain View No. 49, will be held at the Lions' Hall, Didsbury, at one o'clock p.m. on Saturday, February 19, 1949, for the discussion of the affairs of the District; and that from three o'clock p.m. to four o'clock p.m. on the same day and at the same place, nomination for the office of Councillor and Hospital Representative will be received.

Two Councillors and five Hospital Representatives are to be elected. Councillors are to be elected for the following electoral divisions: Division No. 1; Division No. 3. Hospital Representatives are to be elected for the following municipal hospital divisions: For Olds Municipal Hospital—Division No. 2, and Division No. 3. For Didsbury Municipal Hospital—Division No. 1; Division No. 3, and Division No. 4.

Dated this 14th day of January, 1949.

G. A. YOUNGS,

Returning Officer

MISS LOUISE LEAR, EVANGELIST, AT EVANGELICAL CHURCH

Miss Louise Lear of Johnston, Pa., Evangelist of nationwide fame, is continuing with special meetings at the Evangelical church every evening of this week, including Saturday night. Services begin at 8:00 o'clock. Miss Lear will conclude her preaching mission with two services on Sunday, February 13. Worship service at 10:30 a.m., and a great mass evangelism rally at 2:30 p.m., at which Miss Lear will give her life's story. Miss Lear will be assisted in the Saturday and Sunday services by Miss Niebel who gave up her position as superintendent of nurses to become a companion and assistant evangelist.

Miss Lear is here to share with the people of Didsbury her many and varied experiences. She delivered her first address when a girl of 15 and for 18 years has travelled America from coast to coast, and north to south. She knows what it means to be miraculously restored to health. Do not miss hearing the little girl with a big heart and a great message.

At the 1941 census the number of blind persons in Canada totalled 9,962 and deaf-mutes numbered 7,194.

I say you are fools gambling with your children's lives. Any misfortune that may strike you with any of these diseases is your own fault for adopting such a narrow minded attitude.

This outbreak brings home the point that diphtheria is still a menace in the community. In an area such as ours where the majority of the diseases have been taken advantage of inoculations the chances of an outbreak is slim.

This week first check your record cards and see that you child is still enjoying maximum protection. In the drug store Didsbury 97 and any queries to one of the clinics in the area and have them completed.

To the relatively small group who say "I don't believe in inoculations."

WANTED—20 head of small calves from 5 to 10 days old. Apply to A. Morasch, phone 2117. 4-3c

POULTRY SUPPLIES

National Health Week

Last week was National Health Week, 1949. The object of such a week across the Dominion is for every parent to review the health position of the whole family.

Pause for a moment and answer this question honestly. Have I done, or am I doing all within my power to ensure that my family will continue to enjoy optimum health during 1949?

Much of the misery caused by ill health in this world today we can prevent rather than cure.

I want parents, especially mothers, to check over the following twelve points which are the foundation stones for the prevention of good health and the prevention of a lot of disease:

1. Is pasteurized milk available in the home and am I using it?

Pasteurization is the heat treatment of milk. Milk is heated to 145 degrees F. for 30 minutes and then rapidly cooled. This temperature and time destroy disease germs which may have got into the milk. Pasteurization is a preventative measure against Bovine Tuberculosis, Undulant fever and Streptococcal diseases.

2. For the farmer milking cows for the home milk, have you had your herd tested lately for evidence of bovine tuberculosis and Bang's disease? If not then now is the time to make arrangements with the veterinarian.

3. Are the meals I prepare carefully planned to provide the essential nutrients for a well balanced diet? Is the diet for growing children, and a serving of cereal, meat, vegetables, an egg in some form, fruit, brown bread and butter as the daily basis of the meals? Are the meals varied from day to day? Is the school lunch a good meal or simply a stop gap? Pamphlets on nutrition and diet suggestions are always available on request from the Health Unit, and worth studying.

4. Am I giving my children cod liver oil or some form of fish liver oil daily to provide vitamin D. This vitamin is always low even in the best planned meal program and must be provided with a supplement. All children from 4 weeks to 16 years of age must be given some form of fish liver oil daily.

5. Do I ensure that all members of the family clean their teeth with toothbrush and paste every night before going to bed? Do they receive a regular annual dental inspection of their teeth?

6. Are my children getting sufficient sleep? 12-14 hours daily for children up to the age of 10 and not less than 10 hours daily for other school children.

7. Have my children all had a full course of protective inoculations against the killer diseases, diphtheria, whooping cough and small pox? To this list can be added inoculations against Scarlet Fever if also desired. To prevent these is easier and far less painful than curing them.

8. Do I take advantage of attending the Baby Clinics held regularly in the towns of the district every month? On first attendance every child receives an attractive personal

C.A.R.E. VEGETABLE
SEED PACKAGE

A seed package containing 28 selected varieties of vegetable seeds sufficient to plant a garden 50 by 150 feet, will be forwarded to 11 European countries at a price of \$1.00 a package.

Orders should be directed to (Canadian) C.A.R.E., 193 Sparks Street, Ottawa, Ontario. Seed packages will be delivered to Austria, Belgium, Czechoslovakia, Finland, Hungary, Italy, France, Greece, the Netherlands, Poland and the American, British and French zones of Germany and Berlin. The seeds will not be delivered in Great Britain because the authorities there feel that the present supply is adequate.

ALL PURPOSE TRACTOR

A new all-purpose tractor which features high clearance, small turning circle, light steering and a track adjustable from 52 to 88 inches by which the machine can be adapted to row crop work on large or small fields is reported in The Financial Post. Tractor is said to have power and weight to pull a four-furrow plow under average conditions; with available equipment of belt and pulley, power take-off and hydraulic power unit will operate practically every type of farm machinery requiring power. Top road speed is 18 mph.

record book which will show in graphic form the baby's progress up to 6 years of age. Advice on any worries or problems during babyhood is readily given.

9. When an infectious disease occurs in the home do I seek the advice of the Health Unit on ways to minimize the possibility of spread to my other children? Do I notify the Health Unit in cases of infectious disease right away?

10. Do I act upon the medical advice contained in the health report of my child following his school examination by the nurses or Doctor?

11. Do I insist that all members of the family cover up "coughs" and "sneezes" with their handkerchief or the hand when they occur? The ordinary "head cold," influenza and the common infectious diseases are all spread by germs issuing from the nose and throat of an infected person.

12. Do I keep all food and baby bottles covered up to prevent flies and dust from settling on them at all times? Flies and dust are responsible agents of many diseases. Often these simple precautions are the easiest overlooked so make a point of checking your household routine.

Careful attention by all of you to these few points in 1949 will go a long way in ensuring the continued good health of the family. Remember there is a health unit in this district ever ready to advise, instruct, and help you in any problems pertaining to health and disease, so why not make the fullest use of it.

Leslie C. Allan, M.B. Ch.B. D.P.H.
Medical Officer of Health

A Message to

ALL M.L.A.'s

During the past few years, the money voted for the maintenance and construction of highways by the Provincial Government has been equal to, or slightly in excess of, the total revenue derived from motor vehicles.

THE RESULT: Improved highways, improved transportation, and economic, educational and social benefits to all.

Your constituents will approve your support of a similar vote for 1949, to extend these benefits to many not already adequately served.

Good roads will mean progress for Alberta.

Or they will take your order for bulk feeds—either cattle, hogs, or poultry, and we will deliver to the Didsbury district, at a nominal charge, from our Carstairs Mill, in lots of four tons or over.

... is a wonderful dessert

You'll make it again and again, and, of course with Purity Flour. No exceptions. Such a tasty sweet treat a feathery cake... and per serving so economical.

PURITY Apple Queen CAKE

2 tablespoons butter
1 cup brown sugar
2 or 4 medium sized apples
2 and 1/2 cups cherries
1 cup shortening
1/2 cup vanilla
1 cup granulated sugar
1 egg
1/2 teaspoon salt
4 teaspoons baking powder
2 cups sifted Purity Flour
1 cup milk

First—Melt butter in 7 or 8 inch square baking dish, add brown sugar and spread the mixture evenly over the bottom of the dish. Pare and core apples and cut each one in sections lengthwise. Set in rows in the butter-sugar mixture. Place a cherry in each corner and one in the middle.

Now—Cream shortening, add vanilla. Gradually add sugar and blend well together. Add wellbeaten egg. Mix Purity Flour, baking powder and salt and sift together 3 or 4 times, then add alternately with the milk. Pour this batter over the apples in baking dish and bake in a moderate oven (350°F.) for 45-60 minutes. Invert to serve. Remove from the dish as soon as baked. Serve hot or is or with a sweet sauce, or serve cold with whipped cream.

Best for all your baking... that's Purity Flour. Women who bake and bake depend on Purity for uniform results. It's the flour that's milled from Canada's fine hard wheat and sold everywhere.

YOU NEED ONLY ONE FLOUR

This road leads
to pleasure . . .

This road
leads
to life

No one questions the importance of good roads. We need them to maintain the tempo of modern living.

Yet far more important to the future of Alberta is Education—the road that leads to life.

Dollars poured into gravel and asphalt make life more pleasant. Dollars spent on young minds are a priceless investment in the future. We believe that Education is the most important duty of our Provincial Government, and that Provincial grants should reflect this importance. Express your opinion to your M.L.A. In the minds of children today is what Alberta will be tomorrow.

This advertisement inserted by Alberta Educational Council with 14 supporting provincial and many local organizations.

**CANADA BUYING
BAHAMAS TOMATOES**

Canada is buying most of the Bahamas' large crop of tomatoes this year. Prices, ranging from \$1 to \$1.40 per 30 pounds, f.o.b. Nassau, are below last year's average, and are not considered profitable to the growers. Up to the end of December, 3,120,000 pounds had been shipped, and the total crop is estimated in the neighborhood of 4,500,000 lbs. With Canada unable to buy Bahamas pineapples because of import restrictions, a large crop matured in the past year without an available market. To save the crop, arrangements were finally made to can a large quantity for shipment to Britain as a gift of the Bahamas Red Cross and the Imperial Order of the Daughters of the Empire.

**CANADA ONE OF BRITAIN'S
PRINCIPAL SUPPLIERS**

Of Britain's total imports during 1938, Canada supplied 78 per cent of the wheat; 81 per cent of the flour; 70 per cent of the bacon; 10 per cent of the cheese; 80 per cent of the dried eggs; 29 per cent of the shell eggs; 4 per cent of the tobacco; 28 per cent of the timber; 32 per cent of the non-ferrous metals; and 45 per cent of the newsprint.

NEW MULTI-USE ENGINE

Lightweight, compact two-horse-power, air-cooled engine with twin opposed cylinders has been developed, for wide range of portable and lightweight equipment. Engine can be used vertically or horizontally on pumps, compressors, sprayers, lawn mowers, lighting plants, bicycles and scooters, among other applications.

LETTER TO THE EDITOR

Dear Editor:

Would you allow me space to express a few facts about Miss Ferguson's criticism, especially our sidewalks and streets.

I go to work every morning about 7:30 and have noticed our merchants with brooms, scrapers and shovels cleaning off our sidewalks. I have been practically in every town extending from Calgary to Edmonton and haven't noticed any better and attractive sidewalks and streets. Perhaps we see the odd attractive street and sidewalk and also some not so attractive in every town and village from Calgary to Mission, B.C. Some are nice, some are poor, but I won't criticize them. Our arena is something worthwhile for our young people. It keeps them out of bad company and from standing around on street corners all hours of the night.

Our water and sewage will help our community to grow and flourish. Why should visitors and residents of our town complain about our sidewalks and streets. Even if they are dirty, what matters? We should be thankful we have a sidewalk to walk on. Our business men and salesmen coming to town so far haven't any complaint.

WILLIAM WALDER

LETTER TO THE EDITOR

Dear Sir:

Asking your indulgence for a little space in a matter of common interest to most of your readers, i.e. the telephone.

The annual meeting of the Didsbury West Mutual Telephone Co. Ltd. was held in the Lions hall, Didsbury, on January 29, 1940, and although every shareholder was sent the annual report by mail, giving time and date of the meeting, it is doubtful if one-fourth of the members was present. Presuming that the usual number were in town that day and that the usual number discussed the affairs of their company in any place but that appointed, for their information and also for those who could not be there, it might be wise to tell them of what their representative gathering decided.

From the start of this venture and through the war years when prices and rates and wages were controlled, the rate was \$1.50 per month of 5 cents per day and as there was no operating surplus it was impossible to build up a reserve to take care of depreciation of plant and equipment. Two years ago the rate was raised to \$2 per month or 6.6 cents a day, and this just covered cost of operating and transportation, which latter we had undertaken to supply, and making no allowance for continued rising costs of material and supplies. Poles, wire, hardware, etc. more doubled, as did transportation and labor costs. Instruments now cost five times the price paid for original ones.

After consideration of these things and discussion the meeting unanimously decided that the directors set the rate to cover the requirements of retaining experienced service, purchasing adequate supplies, and setting up a depreciation fund. The directors later set the rate at \$2.50 per month or 8.2 cents per day, and volunteered to share in the added cost with the other subscribers.

As the proper functioning of any mutual concern depends on the prompt payment of dues and as the government requires payment of connection charges and long distance tolls monthly, the meeting decided that if at all possible subscribers' dues should be paid monthly and that when this is repeatedly neglected service will be stopped and discontinued.

Thanking you for bringing this to the attention of some who should have been there and many who were not.

Chairman of Board of Directors,
D.W.M.T.C.

**TALKING TRAFFIC SIGNALS WILL
EASE BRITAIN'S ROAD PROBLEMS**

The first talking traffic light signals, developed entirely in the United Kingdom, was demonstrated at Hayes, England, the other day. It is an automatic device, operating independently or in conjunction with traffic lights, which gives spoken warning to pedestrians at road crossings. One typical message given at the demonstration was "before crossing look right, look left, look right again. Thank you". The apparatus in its compact waterproof housing weighs approximately 30 pounds and is contained in a box fixed to the top of the signal post. It can operate either alone, with a timing device, or synchronized with a normal traffic signal. The new signal does not shout its instructions. It quietly coaxes people across the road or warns them of the need for looking left and right before stepping off the curb.

Jalchan, Tibet, at 15,870 feet above sea level, is the highest city in the world.

**Skinny men, women
gain 5, 10, 15 lbs.**

Get New Pop, Vim, Vigor
When a man or woman suffers from being thin, it is usually due to lack of proper nutrition. The body needs a certain amount of food to maintain its weight and health. If the diet is deficient, the body will lose weight and become thin. The solution is to eat a balanced diet and take a good food supplement. New Pop, Vim, Vigor is a food supplement that will help you gain weight and improve your health. It contains all the essential vitamins and minerals that your body needs. It is easy to take and tastes good. Try it today and see the difference it makes.

DISTRICT NEWS

NOTES FROM EAST

Although the weather was exceptionally cold a good crowd turned out to the dance at the Lone Pine hall on Friday, February 4, and all report having a good time.

Donald Thompson visited at the home of his parents Sunday last.

Several district residents spent an enjoyable evening playing cards at the Ivor Weber home Sunday evening last.

Bill Persinger and Audrey Gooding were supper guests last Sunday at the home of Mr. and Mrs. Ivor Weber.

The Schumakers and George Long spent Wednesday evening at the Thompson home.

The Lone Pine W.I. meeting will be held at the home of Mrs. Sandy Brander on Wednesday, February 5. Come, ladies and members, and make it a successful meeting.

Old man winter doesn't seem inclined to relax his grip on us and the cold weather continues.

Sorry to hear that Jean Elliott has been on the sick list for the past few days. Hurry up and get well, Jean.

Miss Claire Wood spent the week end at home with her mother and Ken.

Mr. Edward Patterson was a Sunday supper guest at the Fred Metz home.

About twenty neighbors and friends gathered at Mrs. Patterson's home last Tuesday evening, where five tables of whist were played. Top honors went to Roy Milne and Mrs. D.B. Wood, and consolations were won by Patsy Spraggs and Fred Metz. The hostess served a lovely lunch and the guests departed for their homes. All reported having spent an enjoyable evening.

Jay Todd and R. Rasmussen have both recently taken delivery of new tractors. Todd getting a Model D John Deere and Rasmussen a No. 14 Massey Harris.

Mr. Albert Milne, who has not been in the best of health for some time, went to Calgary Tuesday for a medical checkup. We hope you will soon be well again, Albert, and enjoying good health.

CREMONA NOTES

Mrs. Jeanne Brown and Mrs. Vera Tippe sponsored a tea on Friday, February 4, with the proceeds to go to the skating rink. A contest—guessing the number of buttons in a jar—was won by Mike Heiser, the prize being a box of chocolates. Mike guessed the exact number of buttons in the jar, three hundred and fifty-nine. With the tea and guessing contest proceeds totalled eighty-five dollars.

Three hockey games have been played on Cremona ice this week. In the first game Thursday evening Cremona defeated Dog Pound. On Sunday two games were played in which Cremona defeated Sundre and Carstairs defeated Cremona.

Mr. C. Fry and Joyce, of Narman, B.C., and formerly of Cremona, visited in this district last week.

Congratulations to Mr. and Mrs. R. Parsons on the birth of a son Friday, February 4, and to Mr. and Mrs. L. Bird on the birth of a daughter on Saturday, February 5. Mrs. Spillman Sr. has not been well for the past month and we wish her all the best for a speedy recovery.

Mr. and Mrs. Burr Gano spent two days in Calgary.

BURNSIDE NOTES

Alwyn Hughes of Calgary is visiting in the district with her brother, Bill Hughes.

Jessie and Leonard McCulloch have been on the sick list and have been confined to their home for the past week.

The Bob Jones auction sale was fairly well attended but prices were not as good as expected.

Cornie Neufeld, George Neufeld, and son Walter were out last week on the south-east quarter of the Marston farm on a coyote hunt. While coyotes are very numerous in this part of the district the hunters only saw seven and were unable to get a shot at them. However, they expect to return in a couple of weeks' time.

Dennis Jenkins, who has been in the Didsbury hospital for the past three weeks suffering from a broken leg, returned home Friday with his leg in a cast and walking with crutches.

Due to the 25 degrees below zero weather on Friday night the old time dance at the Lone Pine Hall was not so very well attended, but those taking in the event report an enjoyable time.

WESTERDALE NOTES

A successful quilt and cushion raffle and whist party was held at the Westerdale hall on Monday evening when sixty persons braved the 30 below zero weather and completed 15 tables of court whist. Ladies' first and second prizes were won by Mrs. S. Jackson and Mrs. L. Jones respectively, while Sid Summers won gent's first prize and Homer Rowell gent's second. Edith Kutz of Olds was fortunate to maintain the ladies' travelling prize bag all evening, thereby winning all six prizes contained therein. Ken Elder captured all but one of the gent's travelling prizes, and this was won by Frank Herbert. The special door prize was won by Miss Vivian Eggen of Zella. Trev Hughes of Didsbury won the quilt draw and Bill Turnbull of Hartmann won the cushion draw. A total of \$54.00 was realized from the quilt and cushion raffle.

Mr. and Mrs. Howard Atkin of Edmonton were Sunday visitors at the home of Mr. and Mrs. S. Jackson.

The Westerdale boys played another game of hockey at Westcott on Sunday and were defeated 6-2. How about having some action on the Westerdale rink!

MOUNTAIN VIEW

Mr. and Mrs. Raymond Hayne and Mr. and Mrs. Lawrence Hunter visited awhile Monday evening with Mr. and Mrs. Grenville McCaig.

Mrs. William Bruce is spending a few days with her daughter, Mrs. Elmer Rogers.

Mr. and Mrs. Booker, Mr. and Mrs. J. Worrall and Mr. and Mrs. L. Hunter visited with Mr. and Mrs. Otto Bittner on Wednesday evening.

Mr. and Mrs. Garnet Tighe left Friday by train for Ontario, where they will attend the funeral of Mr. Tighe's grandmother.

Mr. and Mrs. John Bruce visited Wednesday evening with Mr. and Mrs. Ed McCaig.

Mr. and Mrs. W. Shultz made a trip to Drumheller last Wednesday and came home Thursday.

Mr. and Mrs. H. Shultz entertained Mr. and Mrs. W. Shultz to supper Friday evening.

Mr. and Mrs. E. McNeil visited Sunday evening with Mr. and Mrs. Harold Shultz.

Mrs. M. Archer and Mr. W. Ausenhus, two of our neighbors who have been ill in hospital, have now returned to their respective homes.

Mr. and Mrs. Bill Casebeer were guests of Mr. and Mrs. J. Worrall on Sunday. Mr. John Hunter of Calgary was a dinner guest there also on Sunday.

The Neapolitan Skating and Curling Club is holding a skating party this Thursday evening. Hot dogs and coffee will be available. Everyone welcome, so bring your skates and have some fun.

BERGEN NEWS NOTES

A shower was held for Mr. and Mrs. Charles Erickson at their home on Friday evening. A nice crowd was present and in spite of the extreme cold some came from Elkton and a number from Sundre. Games were played after which the couple opened their gifts. Lunch was served, bringing a pleasant evening to a close. A hearty welcome to the district, Mrs. Erickson.

Mr. and Mrs. Norman Cook were Edmonton visitors this week.

Trygve Haug and Dave Davidson finished hauling the telephone poles from Niche Valley to Bergen on Monday. They were assisted by a number of men from the district. They found that they were 30 poles short so more had to be cut. Skid horses were kindly loaned by the Hendrix saw mill. The poles are now ready to be peeled as soon as the weather warms up, as they cannot be peeled while frozen.

We were glad to see the statement in the "Pioneer" by Mr. Hammett that it was hoped the Bergen-Didsbury highway would be completely gravelled this year. It should mean added business for Didsbury. In the past it has been necessary for residents of Bergen to take the longer but better road via Sundre, and Olds would get the trade when roads to Didsbury were impassable. From Bergen four miles west the roads are gravelled.

South America has the three highest waterfalls in the world, the Angel Falls in Venezuela, 3,000 feet high; and the Kukuam and Boraima Falls, both in British Guiana and both 2,000 feet high. The water at Niagara drops only 187 feet.

LITTLE ITEMS OF LOCAL INTEREST

Miss Edna Roberts of the General Hospital staff in Calgary, visited at the home of her parents for a few days last week.

—Please Note—K. Roy McLean, optometrist, will visit Didsbury the last Monday of the month. Next date is February 28th.

The I.O.E. annual meeting will be held in the Lions Hall Thursday, February 10, at 8.30 p.m. On Sunday, February 13, there will be a church parade to the United Church, Didsbury, to commemorate the 49th anniversary of the founding of the order.

—Left at Ranton's, a notion bag containing a belt and two small keys. Come and get them. 1c

Mr. and Mrs. Russel Ady of Olds were Didsbury visitors on Tuesday. Russel recently returned from a two-week motor trip to Vancouver, via Seattle, and reports some pretty tough roads on the trip.

—St. Cyril's W.A. will hold a sale of Home Baking at The Marivan on Saturday, February 10, from 3 to 6 p.m.

J.W. Wordie, manager of Crystal Dairy, Didsbury, is attending the Dairyman's convention in Calgary this week.

—A Valentine Tea by the St. A. A. Society, will be held Saturday, February 12, at the home of Mrs. Bill Ross, from 3 to 5 p.m. Everyone welcome. 1c

—Don't forget the dance at Rugby Hall on Thursday, February 10th. Anderson's orchestra of Calgary will provide the music. 2c

Mrs. Ruth Eckel has received word of the passing of her only brother, Mr. John Richardson, at his home in Walkerton, Ontario, on Monday, February 7th.

—There will be a Community Auction Sale in Didsbury sometime in the near future. List your goods with Hughie Roberts or Jack Ginter. 6-2c

Dave Edwards arrived Saturday and on Tuesday, together with Mrs. Edwards, left for Edmonton where the latter will visit with her son-in-law and daughter, Mr. and Mrs. Reynolds. On returning from Edmonton Mr. Edwards leaves for the East to take over his new duties with the Massey-Harris Company.

—The Rugby Women's Auxiliary are holding a whisky drive at the home of Mrs. H. Hoesgood on Tuesday, February 15. Everyone welcome.

Mrs. E. Brinton and Miss Margaret Hanson visited this week in Lacombe with Mrs. Foote.

—New Provincial Government Regulations require Signal Arms to be installed on all trucks by April 1, 1949, if the box interferes with the operator's hand signals for right or left turn, or to stop. We have "Signal Arms" in stock now.—Payne-Freeman Co. Phone 14, Didsbury, 2

KNOX UNITED AFTERNOON GROUP MEET FRIDAY

The regular meeting of the Afternoon group of Knox United Church was held at the home of Mrs. N. Clarke on Friday, February 4, with 17 members and two visitors present. The devotional service was

taken by Mrs. Bainbridge. The time for receiving clothing to be sent to Europe has been extended until the end of February, for Women on March 11. Detailed notice will be given later.

Come and get it!
